

# LUNCH AND LEARN

MEET OUR INDUSTRY EXPERT

## Brad Fletcher

Brad Fletcher is the senior sales engineer at Atlas Tube. In this role, Brad leverages his 20+ years of experience in engineering design in the steel industry to provide technical expertise on the use of steel hollow structural sections (HSS) and pipe piling products for design engineers, detailers, fabricators and architects.

# ARCHITECTS' LUNCH AND LEARN

Join us to hear about:

- High Exposure:  
Advantages of HSS in  
AESS Applications
- Understanding HSS  
Specifications
